

INTERNATIONAL

**Expo – Trans International has been on the market since 1995.
performing transport and forwarding services on international and national routes**

We have a modern transport fleet along with a navigation system and forwarding contracts with many trusted carriers, which allows us to implement a fast and full range of transport and forwarding activities under the control of qualified personnel.

We guarantee high quality of services and quick delivery times.

Many years of experience in the transport industry and hundreds of satisfied customers are the best guarantee for the efficient and safe transport of your goods, thus making us a very flexible partner in the transport and forwarding industry.

Our strategic partner is the German company **Berthold Sichert GmbH Berlin** and **Berthold Sichert Sp. z o.o. Polska**.

OUR FLEET IN TRANSPORT:

- 24- ton trucks
 - tarpaulin semi-trailers measuring 13.60 mx 2.64 m
- as part of forwarding fleets of various construction, volume and load capacity

WE OFFER:

- full implementation of customer orders in the shortest possible time
- accuracy and transparency of billing
- timely delivery, reliability and punctuality
- competitive prices (negotiable depending on distance)
- flexibility in terms of changes during ongoing orders
- nice and professional customer service
- transport performed by drivers with many years of experience
- individual approach to each client
- professional support of our forwarders who are in constant contact with drivers

Expo-Trans is a member of the Association of International Road Carriers in Bydgoszcz

WE INVITE YOU TO COOPERATION
